

For the past 47 years, we have served pastors and missionaries from around the world with tax support and preparation. We would like to add another service to our ministry and am writing today to share more information about a free service we want to provide to pastors who have Christian Schools.

I imagine that most of you, if not all of you, know Nancy, our Office Manager here at Stewardship Services Foundation. Her husband, Dr. Lee Duncan, has just retired from being the Director of Accreditation for the Western Division of the Association of Christian Schools International (ACSI). In his accreditation work, he has visiting over 250 schools around the world, including schools in the Middle East, Asia, and Africa. I have asked Lee if he would be willing to serve as a Christian education consultant for SSF and support our pastors and he would love to do so.

Before working for ACSI in Accreditation for the past 7 years, Lee has 30 years of experience as a Head of School in Christian education, both in Illinois and California. He also has 8 years of experience in higher education and was the Executive Vice President for The Master's University for 3 years.

SSF would like to offer Lee's services to you as a consultant regarding any aspect of Christian education. He has experience with financial policies and procedures, curriculum selection, hiring practices, board operations, accreditation, and starting a Christian school. If your ministry includes a school, Lee would be available to you, free of any consulting fees, to answer questions and give advice. Now that he is retired, he wants to continue to support and assist Christian schools in any way he can.

If you would be interested in talking with Lee and asking any questions regarding Christian education, you can contact him at leeduncan356@gmail.com or you can leave a message at our office number (661-568-6801) and he will get back to you right away.

We pray that this new service by SSF will be a blessing to your church and Christian school ministry. May the Lord continue to bless you all in the days to come.
